General Information of CAT Marketplace

Objectives

The Marketplace aims to promote programme collaboration and articulation amongst stakeholders, including education and training providers, professional bodies, companies, unions and others. All conference participants are invited to visit the exhibitions, exploring opportunities for collaboration and articulation in the context of credit accumulation and transfer (CAT).

Exhibitors

18 exhibitors will participate in the CAT Marketplace, including universities and other post-secondary education institutions providing academic or vocational and professional education and training (VPET) programmes, continuing education providers, federations of training institutes and businesses, trade unions, and others. Staff from the exhibitors will be at the exhibitions to discuss with interested parties about collaboration, course admission, CAT application, etc.
