Application for

Accreditation Grant for Self-financing Programmes under the Qualifications Framework Fund

Introduction

The Government of the Hong Kong Special Administrative Region (the Government) launched the Qualifications Framework (QF) to promote lifelong learning with a view to enhancing the capability and competitiveness of our local workforce. The QF is a seven-level hierarchy covering qualifications in the academic, vocational and continuing education sectors.

2. A robust quality assurance mechanism is in place to benchmark and safeguard the quality of learning programmes (programmes) under the QF, mainly through accreditation by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ)¹.
3. The Qualifications Register (QR), established by the Government, is the public face of the QF. All qualifications and programmes registered in the QR are quality assured and recognised under QF.
4. The Education Bureau (EDB) established the QF Fund to provide a steady source of income to support the sustainable development and implementation of the QF.
5. Providers may apply for the Accreditation Grant for Self-financing Programmes (the Accreditation Grant) which covers the fees charged by the HKCAAVQ for various types of accreditation services provided, including Initial Evaluation (IE), Institutional Review (IR), Learning Programme Accreditation (LPA) and Learning Programme Re-accreditation (Re-LPA)². Providers registered under the laws of Hong Kong are eligible to apply.

Scope and Level of Subsidy

6. The Accreditation Grant is available to providers to meet the accreditation fees of the institutions/organisations and their self-financing programmes³. It is available to both local and non-local programmes⁴. Applications for the Accreditation Grant should be made **no later than one year after the issuance of the relevant Statement of Accreditation Approval dated 3 January 2017 or after** by HKCAAVQ.
