Disclaimer

1. The purpose of this Expression of Interest exercise is to invite organisations, on a non-committal basis, to indicate whether they are interested in undertaking the role of AA for the RPL mechanism for the Automotive industry.
2. The Qualifications Framework Secretariat (QFS) may not accept any of the Expression of Interest. Each respondent shall be solely responsible for the fees, costs and/or expenses incurred in preparing and submitting the Expression of Interest, or subsequent responses or initiatives on the part of any respondent. The QFS will under no circumstances be liable to any respondent for any fees, costs, expenses, losses or damages whatsoever arising out of or in connection with the process of the Expression of Interest exercise.
3. Whilst the information in this invitation document has been prepared in good faith, it does not claim to be comprehensive or has been independently verified. The QFS does not guarantee the information is correct and comprehensive. Any liability in respect of any such information or inaccuracy in or omission from this invitation document is expressly disclaimed.
4. Neither the QFS, nor any of its employees, agents, or advisers, accepts any liability or responsibility, as to, or in relation to the adequacy, accuracy or completeness of the information contained in this invitation document or any other written or oral information, which is, has been or will be provided or made available to any respondent; nor do they make any representation, statement or warranty, express or implied, with respect to such information or to the information on which this invitation document is based.
5. This Invitation for Expression of Interest should not be regarded as a suggestion of the QFS or its employees, agents, or advisers to any organisations to submit the Expression of Interest.
6. This Expression of Interest exercise is not a tender exercise but a structured way to obtain feedback from the respondent. The QFS may not take any further action after the Expression of Interest exercise. This invitation document or the related Expression of Interest does not constitute any contractual evidence on undertaking the role of AA for the RPL mechanism for the Automotive industry.

7. Those organisations expressing an interest in undertaking the role of AA for the RPL mechanism for the Automotive industry may be invited to submit detailed proposals. However, the QFS is not bound to invite detailed proposals from any organisations expressing an interest.
8. Respondents should not construe the contents of this invitation document, or any other communication by or on behalf of the QFS, or any of its employees, agents, or advisers, as financial, legal, tax or other matters concerning the role of AA for the RPL mechanism for the Automotive industry.
9. The QFS is not obliged or liable to have any individual or joint compromise with any respondent of the Expression of Interest.
10. The submission of any Expression of Interest by a respondent shall be taken to be an acceptance of the terms of the Invitation, including the contents of all the attachments.
11. The QFS reserves the right, without prior consultation or notice, to change the content of this invitation document. The QFS is not obliged to inform respondents of any update or change of any of the information in this invitation document made or that comes to its knowledge after the issue of this invitation document.
